IMPACT REPORT

The Club Experience

Boys & Girls Clubs fill the gap between school and home. We provide welcoming, positive environments in which kids and teens have fun, participate in life-changing programs, and build supportive relationships with peers and caring adults.

“The club has empowered me. The club has unfolded my strengths.”

Lluvia P.
Youth of the Year

In 6th grade I was nervous to attend the Club. The thought of having the bus pick me up and take me to the Club for the first time made me very tense. When I got to the Club I immediately connected with the staff.

My new mentors guided me over the years. We talked about healthy lifestyles and the responsibilities of growing up. I opened up to new opportunities and made new friends. During difficult times the Club was always there for me. When I was feeling down, alone, or angry I had people to turn to.

Today, I am President of Keystone teen leadership club, on my school's basketball team and I've enrolled in classes at CalArts. I am thankful to the Club for shaping me into the person I am today.
